Please bring cash or your checkbook to walk-in Registration Nights!

Fees for 2009

\$275 per child for Division U-8

\$310 per child for Division U-9

\$325 per child for Divisions U-10 and U-12

\$425 per child for Interleague Divisions U14/U16/U19

(Fees include professional training and trophies for all divisions. U-10 through U13 fees include participation in the TPSC Player Development Academy. Fees also pay for referees, team jerseys, equipment, field rental, insurance and maintenance.)

A copy of the child's birth certificate must be submitted with the registration form if one has not already been submitted.

All players except those on competitive teams must register either online or at the May Registration nights in order to be assured of a place on a team. (See special notes below regarding Interleague availability.)

Late registrants are not guaranteed a team placement and will be charged a **\$75 late fee**.

All players will be assigned to divisions according to the listed grade/age brackets unless a player requests to play up in an older age group. Players may play in an older age group with TPSC board approval, but they may not play in a younger group. **Anyone requesting to play up must make this known on the registration form and verbally make it known when registering.**

Certain age groups only practice on certain days. If your child cannot practice on certain days (ie, religious school, music lessons, etc.) it must be stated on your registration form as once teams are formed, we cannot make changes. **If your child's other activities prevent them from participating in the TPSC, we will refund the registration fee, if we are notified before the first day of practice.**

Late registrants will be placed on teams as team size and the number of coaches permit.

Late registered players who have just moved to the area will be placed on teams first. Other players will be placed according to team needs and the discretion of the league.

Practices and Games

Games are on Saturdays starting in September and running through mid-November. Practices are twice a week beginning in August for U-9 - U16. For U-8's, practice with the team is once a week.

House/Interleague Divisions

At all age levels, TPSC offers co-ed and girls teams. The U-8 division plays micro-soccer consisting of small sided games with no goalie. U-9 adds a goalie. The U-10 and U-12 division play 8 a-side games. U-14 and older play 11 a-side games. U-9 through U12 teams play teams from both the TPSC and Mill Valley.

Interleague

The U-14, U-16 and U19 divisions play other leagues in Marin and Sonoma (U16/19). While professional coaching is included in the registration fee for practices and (some) games, we still need parents to volunteer as managers/assistant coaches for the teams.

INTERLEAGUE TEAMS WILL BE FILLED ON A FIRST COME BASIS.

When Interleague players register they will be assigned a placement number. The first sixteen players registered will be placed on a team. A second team will be formed if another sixteen players sign up, if not, the remaining players will be put on a waiting list.

Interleague: Please bring a 1¼ inch square color photo of your child to registration night along with a copy of your child's birth certificate.

Uniforms & Equipment For House and Interleague Players

Each player will be given a TPSC jersey to wear and keep. Each player must purchase black team shorts, black socks and shin guards to be able to play. Each player needs his or her own ball for practice. Ball size varies according to age division. TPSC sweatshirts, t-shirts, caps, fleece and bags will be available for purchase at registration. Player shorts and socks may be purchased at a club discount at the registration nights or at one of the local soccer retail stores (see our website for discount offers).

Player Development Academy

Staffed by our professional coaches, this U-10 through U-13 spring/fall program will provide an additional day of training for motivated competitive and recreational players to work on the fundamental skills of the game.

Financial Aid

There is a limited amount of need based registration fee financial aid available. Please email scholarships@tiburonsoccer.org to request a financial aid form and one will be sent to you along with mailing instructions.

Competitive Teams

U-11 through U-21 Competitive teams play teams from several other communities throughout northern California. Practice begins in the spring and they participate in tournaments and league play in a season lasting from summer to November or early winter depending on the age division. Players are chosen in tryouts in the previous February-April based on skill and determination. Much more information can be found on our website, www.tiburonsoccer.org

Volunteering

The TPSC can only be a success with parent involvement. We need parents who will volunteer to help with coaching, age group coordination, sideline assistance, refereeing and other activities. **In the event of a shortage of coaches, priority for assignment to teams will be given to players whose parents volunteer. There is a \$25 opt-out fee for those who do not volunteer.** Volunteer signup sheets will be available at registration online or at registration night.

Coaching

Coaches are needed for all age groups.

We urge you to sign up. Last season we had a good turnout of parents. At the younger age levels, experience is not necessary and coaching provides a great opportunity to learn soccer or to sharpen your own skills.

The TPSC will provide professional trainers who will work with you and your team at one or more practices a week (frequency depends on age group).

We Need Your Help, Sign Up Now!

Referees

We urgently need parents, other adults, and college and high school students with some soccer experience to be referees. Middle School students are welcomed to referee U-8 games. Referees are paid for each game they work. New referees must complete a clinic (schedule on website). The TPSC will pay for the certification. For information and details please email John Gulick at ref@tiburonsoccer.org.
