January 24<sup>th</sup>, 2010

Dear Parents, Players, Coaches and Referees:

### **Tiburon Soccer Club Plans for 2010**

Happy New Year, after a successful 2009 the club board and staff have been working through the feedback forms that were received and information gathered at the Club's AGM to create a program to serve the Tiburon Soccer Community in 2010.

The club will continue to focus on individual skill development and game understanding following the principles of 'Long Term Play Development' that were introduced in 2009. Last year the theme for the club was 'more touches' - this year the theme is 'More touches More Often'. To provide the young players with an opportunity to touch the ball more often in 2010, this winter we began a futsal program in association with Marin Futsal. We are also going to offer a substantial spring program that will include skill work and small sided games for any child in the community regardless of perceived skill level. They will be able to come on any days that work with their schedule for one low membership fee.

This year the competitive tryouts will take place later in order to give the young players the chance to refine their skills in the spring. Given the small size of our community and the related smaller number of children who currently possess the skills to play at the competitive level, this year we will be working with Mill Valley Soccer Club to form competitive teams in some of the age groups.

Please look out for information and registration forms that will be sent out in the coming weeks for the programs outlined below.

### **Key Dates for 2010**

- U6 Mini-Kickers starting in February at Strawberry Recreational Center.
- U7-u9 Spring Program starts March 1<sup>st</sup> at Mckegney 4pm - 5pm. (Mon to Fri)
